## CRYPTO TRADING

Invest in 'Crypto' with us and enjoy the benefits of trading on leading-edge platform and technologies. Horizon's network of exchanges primarily dealing with Coinbase allows us to trade in over 2000 Cryptocurrencies, such as Bitcoin, Ether, Bitcoin Cash, Litecoin, etc.

## FOREX & STOCK

Forex is the world's most liquid and heavily traded market with over £5 trillion traded daily. The Forex market is decentralized, meaning there is no central location where trades are conducted, rather, Forex trading is conducted over the counter (OTC).

## REAL ESTATE

Legacy Point Capital is building the world's leading real estate investment marketplace. Our mission is to make ownership of investment real estate radically accessible, cost-effective, and simple.

## METAVERSE

Investing in metaverse cryptocurrencies is challenging because it's hard to know which platform will ultimately be the most adopted one. They're not all the same, so meticulous research needs to be done before investing which is why we have an expert metaverse research team.

## GOLD TRADING

Gold Trading is a lucrative option for many Investment firms as it provides the perfect balance between low-risk and high returns trade. Throughout the global financial crisis, many investors invested in gold as a hedge against economic turbulence.

## OIL & GAS

The energy resources area is one of the fundamental elements of the activities where Legacy Point Capital subsidiaries are involved. Today our subdivisions are occupied with trading, exploring, extracting, refining, transporting (using pipelines and oil tankers), and subsequently marketing oil and gas products.

## NFTS TRADING

We operate NFT marketplace digital platforms for buying and selling NFTs. These platforms allow people to store and display their NFTs plus sell them to others for cryptocurrency or money. Some NFT marketplaces also allow users to mint their NFTs on the platform itself.

## CRYPTO MINING

With a 2,000-square-foot warehouse in Singapore and a secondary facility in Hong Kong, Legacy Point Capital is equipped to handle large crypto mining operations.

# Components of our success

## Top Talent

Legacy Point Capital take extraordinary measures to have exceptional people in every seat. We ask whether each candidate will raise the average on the team before making an offer. We cast a wide net, to attract candidates from every background, focusing on both skill and culture alignment. We actively coach and develop. Unremarkable performance gets a generous severance package.

## Mission first

Our mission is ambitious and important. We don't engage in social or political activism that is unrelated to our mission while at work. We seek to make the workplace a refuge from division, so we can stay focused on making progress toward the mission.

## Customer Focus

We are deeply focused on solving our customers' problems with technology, by enabling them to acquire, store, and use crypto. We strive to be the easiest-to-use, most trusted, and most secure platform. In every decision we make, we ask, "How does this create more value for our customers?"

# Components of our success

## Repeatable innovation

We are builders, leveraging technology to improve the world, constantly shipping ideas vs. just discussing them. We know that companies must continually reinvent themselves to avoid stagnation. We have a high tolerance for failure, investing 10% of our resources in venture bets that are uncomfortably ambitious.

## Positive energy

We are optimistic about the future and determined to get there. We co-create solutions instead of choosing blame and criticism. We create moments of play at work.

## 24/7 Support

Legacy Point Capital's highly skilled professionals are always ready to assist you whenever the need arises. Our clients can expect a personalized approach to resolving any issues related to our collaboration.

# Legacy Point Capital Insurance Certificate

Legacy Point Capital insurance certificate is a financial instrument that provides protection to investors against losses resulting from declines in the value of a portfolio of stocks, bonds, or other financial assets. The certificate is designed to provide a hedge against market volatility and downside risk..

One of the advantages of the Legacy Point Capital insurance certificate is that it allows investors to participate in the potential upside of a portfolio of financial assets, while also protecting them against the downside risk. This can be particularly useful for investors who are concerned about market volatility or who have a low tolerance for risk.
